

BRAZILIAN CARNIVAL BALL 2007 LIVE AUCTION

Great moments
make a great life

The Lexus ES 350 promises to deliver more of those great moments. It could be simply appreciating the craftsmanship of hand-stitched leather and burl walnut wood accents. Or the responsiveness of the 272 horsepower 3.5 litre V6. Or the exhilaration of the 6 speed automatic super electronically controlled transmission. The joy of rediscovering a favourite song as heard on the Lexus premium audio system. Suffice to say that the ES 350 offers something exceptional at every turn. Combine that with the unparalleled Lexus reputation for quality and service, and you have an automobile that truly encourages you to pursue the moment.

Diamonds Are Forever

This spectacular one-of-a-kind necklace designed specifically for this year's Ball by renowned, award winning jewellery designer Louis Louro Jr. was created to capture the wonder of Carnival in Rio. Carnival was a celebration of family and friends, says Louis, "a reminder, if only for a little while, of the wonder and beauty of life." What Louis remembers vividly: the music, the dancing, the laughter, and wrapping it all, glittering confetti and tangle of never ending colourful streamers. This beautiful necklace celebrates the magic of Carnival, showcasing streamers of precious metals – platinum and gold – set in a rainbow of blue, pink, green, orange and yellow coloured diamonds and accented by confetti of briolette and fancy cut diamonds. This signed piece – destined to become an heirloom – is a breathtaking tribute to the spirit of Carnival.

Total carat weight: Currently under creation, anticipated weight 10 carats.

Value: Minimum \$35,000
